Rate: Samantha's minimum price is \$200, working \$200/hour.
She is happy to design with a budget in mind, just let us know.

Deposit: To secure your appointment, the shop needs \$200 non-refundable deposit within 5 days of confirming the date(s) with Sam. You can send it directly to her via PayPal Friends & Family or Bank Transfer.

Design Process: She designs most tattoos the night before, and is very collaborative the day of the session. (For large projects, she will be happy to schedule a consultation and design in advance.) It will need reworking the day of the tattoo, once she has the physical architecture of your body in front of her. She likes her sessions to have some spontaneity and to include the input of her clients.

Timing: The time taken to tattoo can vary depending on your skin, the placement and the complexity of the design. Please arrive on time, and allow extra time after the session to take photos.

Self Care: Make sure that you have slept well, eaten well and are hydrated before getting tattooed.

Cancellation: All deposits are non-refundable. If you cancel with 48 hours notice, we can roll over your deposit to a new appointment within 1 calendar year of the original date. **Maximum (2) rescheduled dates.** If you cancel with less than 48 hours notice, or ask for new dates 3+ times, we unfortunately will need a new deposit to move forward.
